## Beard Elementary

### Monthly Newsletter – October 2019

The fall season is upon us and the weather is finally changing. Believe it or not we are in our third month of school. We have many upcoming events and hope to see you at all of them.

We had a very successful jog-a-thon and want to thank all of you for your participation. Our annual Science Night is October 10, from 5:00 – 7:00. Students are excited to participate and be “scientists” for the night. We had our first Student of the Month assembly and we overwhelmed with all the perfect attendance winners!! Keep up the good work. As we say, “When you miss school, you miss out!”

### Safety

**Please note\*\* students are not to be dropped off before 8:10. It is a safety concern to have students dropped off without supervision. Let’s work together to ensure the safety of all of our students. Safety Patrol and running club members are allowed to meet at their designated areas in the morning.**

**Our safety patrol works diligently to ensure the safety of your children as they walk to and from school. Please be respectful and patient with them as they do their job.**

To assist with monitoring students, when you visit the playground, please stay behind the double yellow line, this will assist us with ensuring the yard duties can always see your children. The safety of all of our students is a top priority.

**A huge shout out to our Safety Patrol! This month we are recognizing- Kennadi William- Thanks for being an outstanding Safety Patrol Member and setting a good example for all Beard students!**

### Establishing Routines-

As we enter our third month of school it is important to discuss the importance of routines. Establishing clear guidelines for homework and set bedtimes are crucial for students’ success. Students who stay up late come to school tired and struggle with staying focused and on task. Work with your child to develop a daily schedule. This will establish clear expectations and set them up for success.

### 2<sup>nd</sup> Cup of Coffee & ELPP

**Please join us on November 6, from 9:00 – 9:30, in the cafeteria, for our next parent meeting.**
